

# WOODS GRADING SCRAPERS

*Now* More POWER  
to SMOOTH, GRADE and  
RECONSTRUCT with  
FIVE SIZES

## WOODS GRADING SCRAPERS

Ideal for landscapers, farmers, and municipalities that need to shape and restore driveways, roadways, show arenas, or baseball diamonds to pristine condition.

- **Heavy-duty mast plate** creates more down force for constant ground contact and eliminates washboard effect
- **Approachable leading edges** and structural reinforcements increase strength for long product life
- **High-carbon cutting edges** are durable, reversible, and replaceable
- **Skid shoes and hardened-point scarifiers** are adjustable for performance versatility and replaceable for easy maintenance
- **Sixteen-inch side frames** – one of the tallest in the industry – are designed to hold more material to grade in fewer passes
- **ASAE quick hitch** compatible for faster, easier, and safer hook-ups

**SIZES**  
54-inch  
60-inch  
72-inch  
84-inch  
*New* 96-inch

*New*

All models available  
without scarifiers  
when deep tillage is  
unnecessary. Grading  
scrapers without  
scarifiers have no  
shank pockets.
